Recommends payment of a consolidated allowance of Rs 75- p M to the officers of the status of Amildars working in the Bangalore city Municipal Council

1) The proposal of the city Municipal Council is to ~~grant~~ ~~a consolidated~~ consolidated allowance of Rs 75- p M to the following officers —

It is not clear whether the intention of the City Municipal Council is to grant a consolidated allowance, in lieu of all the existing allowances

When an officer is in receipt of more than one allowance, the necessity for increasing the same has to be explained in detail by the Municipal Council

If approved, a statement furnishing the following details will be called for from the Municipal Council Bangalore City

- 1) Grade pay and details of the allowances actually drawn by each of the five officers in the Bangalore City Municipality
- 2) The financial implications of the proposal to grant them a consolidated allowance of Rs 75 per month
- 3) The necessity for increasing the existing rates in each case

in the 1/10 These officers are considered to be in the grade of Rs 75/- per month & it means that this allowance is in lieu of all other allowances they are now drawing. In this view no further enquiry seems to be needed. (Add'l Secy) Mr. [Signature]

13) The proposal involves a question of principle, as any enhancement of the allowances of the officers of the Bangalore City Municipality may lead to similar applications from the officers of the Mysore City Municipality also. For example, the Revenue Officer, Mysore City Municipality, (who is also an Amildar of the Revenue Department), is getting a consolidated allowance of Rs 60 p M against an allowance of Rs ~~50~~⁷⁵ p M (GTA 50 + ~~30~~²⁵ allowance in connection with food supplies work).

14) Information as suggested in para 8
may be obtained under the following heads
name of officer, pay, other draw, other ^{allowance}
1, 2, as random draw now ^{recommended} 5
what is the allowance draw by ^{in absence} ^{of duty & nature} ^{of service} ^{in my present}

15) The proposal involves an extra cost of Rs 250- per month, as shown in the statement-

20) As the expenditure will be inc. but of

Municipal funds, it does not seem necessary to consult financial Dept.

The duties of the post of the Assistant
Of the five officers, Mr. Narappa
holds the post of the Assistant
to the H. I. and it is a statutory post hence the
allowance of Rs 50/- drawn by him may
perhaps stand he need not maintain
a conveyance for carrying out his

The other four are Messrs Chandrasekhar

of the duties entrusted to them, to maintain
conveyances Mr. Chandrasekhar has
an allowance of Rs 25/- C.A. + Rs 25/- D.A. 10/-
and Mr. Annadanaappa has a C.A. of Rs 25/-

The allowance of Messrs N. Choudappa &

& have yet to be fixed
Hence the resolution of the M.C. to give
a consolidated allowance of Rs 75/- M. to
all these officers is for orders
It is not necessary to refer the matter to the

2) In practice, however, cases falling under the following categories are being referred to the Finance Dept for opinion before orders are passed by the Govt. —

a) Proposals involving any item of expenditure being borne from out of State Funds

(b) Grant of subsidy, loan or advance or any contribution to Municipal Councils from out of State Funds for water supply, drainage etc

(c) Proposals which affect the declared financial policy of Govt

(d) Cases involving interpretation of the provisions of Mysore Service Regulations or the Mysore Civil Account Code as applied to the Municipal Councils etc, for which no provision is made in the Municipal Accounts Manual

3.1) It may be pointed out in this connection
that the City M.C.C. has power under
Sec 49 (b) (ii) to frame rules to
determine the staff of officers & servants to be
employed by the M.C.C. of the respective description,
duties, salaries, fees, and absences the allies
of such officers & servants on the M.C.C. have
not framed any such rules at present. Hence the
payment of the allies in question has to be regulated
by the orders of fact issued from time to time on
ad hoc unofficial or recommendations the present
cases the way that kind

For orders - refer para 27 supra

Rev Secy Am 9/3/46

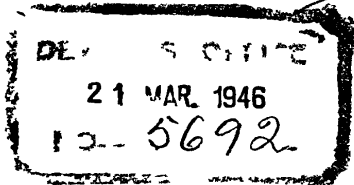

In the case of Trust Board, the J.L. Secy is usually consulted. It is felt that in this case since the Municipality is paying the allies & no part of it is to be met by General Revenue, there is no need to consult J.L. Secy. There are also practical difficulties which are wished to be met. (Minister for Ed & P.H.) 11/3/46

SIR,

With reference to your letter No L 4336 dated 28-11-1945, calling for certain particulars regarding the payment of a consolidated allowance of Rs 75/- p m to officers of the status of Amildars working in this Municipality, I have the honour to forward herewith a statement furnishing the required particulars and to state that with a view to ensuring that an officer of the status of an Amildar whose services are lent to this Municipality should not suffer in the matter of emoluments by virtue of his transfer, the Managing Committee, at their meeting held on 13-9-1945 resolved that all the officers of this Municipality of the Amildar's status may each be given a consolidated allowance of Rs 75/- p m and that Mr N Siddalingappa may also be given the said allowance of Rs 75/- p m in view of his onerous work as Special Revenue Officer. This resolution of the Managing Committee was approved by the Council with the observation that the Octroi Superintendent, Mr C Annadana ppa may also be given the said allowance of Rs 75/- p m

2 On a reference made to the President, City Municipal Council, Mysore to intimate the allowances drawn by the Officers of Amildar's status in that Municipality, a reply has been received from him stating that there is only one officer of such status i e , the Revenue Officer, that upto 1941 he was drawing a D A of Rs 50/- p m and a C A of Rs 30/- p m and that in the later part of 1941, these two

allowances were combined and reduced to a consolidated allowance of Rs 60/- p m It is further stated that the question of enhancing the said allowance of Rs 60/- to Rs 75/- p m is now under the consideration of the Managing Committee

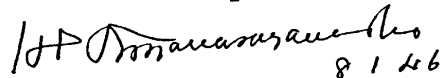

3 The extra ~~extra~~ expenditure of Rs 250/- per mensem or Rs 3000/- per annum on this account as per statement enclosed will be met out of the savings in the establishment charges in the concerned sections as there are a good number of vacancies during the current year and due provision in this regard will be made in the annual budgets in future
